**THEME: *BEHOLD, I WILL DO A NEW THING IN YOUR MIDST (ISAIAH 43:19)***

**GUEST SPEAKER: REV. JAMES N. ADAMS**  
NCFI Headquarters, Bida Niger State. Nigeria

**1.0 PREAMBLE**

The Annual National Conference of Nupe Christian Fellowship International (NCFI) took place at the Cathedral Church of St. John in Bida, Niger State between 15<sup>th</sup> – 18<sup>th</sup> April, 2021. The conference focused on various activities such as teachings, Bible studies, praise worship, prayers and sermon that are meant to encourage the spiritual growth of members. The speaker Rev. James N. Adams charged Christians to know that God is capable of doing new things in our midst but we must flee from sin.

**2.0 THE HIGHLIGHTS OF THE CONFERENCE INCLUDE THE FOLLOWING:**

**2.1** The conference solicits strong unity among Christians in Nigeria and particularly in Nupe land, it further urged them to live peacefully among peoples of other faiths.

**2.2** The conference urged Christians to embrace Agriculture as given by God, especially the establishment of orchard and planting of fruit trees around our residences. They should also avail themselves with the opportunity of accessing improved quality seed/seedlings for better establishment of orchard to boost food security in the country.

**2.3** The conference urged well to do Christians in the communities to establish Non-Governmental Organisation (NGOs) and business ventures such as Livestock farming, Hospitality, Tourism and other skills to engage our youths.

**2.4** The conference observed with dismay the current economic hardship and insecurity in the country and urged Christians to pray for God's intervention.

**2.5** The conference notes the ungodly manner of dressing of some of our youths and therefore urged parents to monitor and discipline their children in the ways of our Lord against these negative trends.

**2.6** The Conference advised Christians to take good care of their eyes because the eye is the light of the body, and must avoid anything that can cause damage to our eyes such as constant use of computer and handsets. Christians are also advised to do regular medical check-up especially of their eyes.

**2.7** The conference noted the efforts of the Government in tackling the security challenges in the country, but urged it to do more to curb the unnecessary bloodshed of innocent citizens.
